3. Travel

Nijmegen is easily accessible by both car and train.

How to get to Nijmegen Central Station?

If you are flying into Schiphol Airport, the easiest way to get to Nijmegen is by train. The train journey from Schiphol Airport to Nijmegen Central is around 1,5 hours. The Schiphol Airport train station is located close to the departure hall. Since Schiphol Airport is an especially busy hub airport, we would recommend scheduling 3 hours between your plane's estimated time of arrival and arriving at Nijmegen Central Station.

It is also possible to get to Nijmegen using international trains. The ICE (Deutsche Bahn) stops in Arnhem, which is only a 15-minute train ride away from Nijmegen. To plan your international train journey, see <https://www.nsinternational.com/en>.

Note that in The Netherlands, you do not have to purchase separate train tickets in advance; you can check in and out of train stations at the card readers using your (international) contactless debit card, credit card, or mobile phone. For more information about the system, see <https://ovpay.nl/en/how-it-works>. The same goes for other forms of public transportation (e.g., buses). To plan your train (and other public transport) journeys within The Netherlands, see <https://www.ns.nl/en> or <https://9292.nl/en>.

How to get to the conference location?

For those attending by public transport: the conference location is easily accessible by bus. From Nijmegen Central Station: take line 10 (direction Heyendaal) and get off at bus stop Erasmusgebouw.

For those attending by car: you can park your car in the parking garage below the Elinor Ostrom Building (Gymnasium, €2.00 per hour; the maximum daily rate is €10.00 per day).
